

In Memory of Jon...

Jonathan Ozimek, "Shnoz," passed away in May 2006 after battling cancer for nearly nine years. First diagnosed at age 14 with non-Hodgkin's lymphoma, Jon had to face a harsh reality. He fought courageously and maintained a positive attitude. He gained strength by continuing his involvement with family, friends, school, sports, church and the Penfield community. It was Jon's dream to become a doctor someday; to be a part of the medical community that helped him to survive for many years. Just before passing, Jon had completed SUNY Binghamton's Pre-Med program and had plans to attend medical school that fall. Although he wasn't able to carry out his dream, we have found a way to help others on his behalf.

The Jonathan Ozimek Memorial Award was created in Jon's memory. Each year, we celebrate his life with Shnozfest, an event to raise money for the Jonathan Ozimek Scholarship Award at Penfield High School, honoring an outstanding senior who is pursuing a career in medicine.
